

## Penzance Enterprise Grants – Guideline Grant Levels

The following table sets out the maximum % of grant permitted for each tier/size of project. You should only be requesting grant to pay the value of project costs that you are unable to cover from your own resources and other contributing sources.

If you cannot contribute the minimum amount of match funding indicated, then you may still proceed but may be asked to further justify the amount of grant sought.

Strand	Grant amount range	Maximum Grant Intervention rate	Minimum Match Funding from applicant
Tier 1 - Small	£2,500 - £10,000	75%	25%
Tier 2 - Medium	£10,001- £50,000	65%	35%
Tier 3 - Large	£50,001 – £250,000 (guide)	55%	45%
